1. This is a new dialect of me, not; but I have given you love in ways of me never established before have been the tools of "satan" used so thusly but I redeem it all or do I change everything now?

2. I change EVERYTHING and I redeem a Great Deal of MANY things that shall now be replaced in the "replaced real" not any longer, for the "REPLACED REAL" will be revealed for WHAT IT IS and was and now shall THE REAL REAL be revealed -- and revolved it will not be around its "anything" any longer for it shall no longer be revolved around its deviceing that device it only into sorrower's sexualness or sex drives or sex things or things that sexes with sexist remarks and remakings of, only me or, notme? Or what are you doing with your thingless devices, not; what are the new equipment bearings of me, not; but what new bearings do my new equipment, revolve around, in what directioning devices do the Axis of Me now revolve AROUND not but DEVICEING not the REVOLVERS of me -- I change everything now.

3. Wickedness becomes frozen, not; but wicked eyes denies no one the right to be seize me at my table, not; for there will be no "see-ers" who only want to see the things they only want to see, at my table. For my table will be clear and holy and beautified by the purity of the name of the one ones who love me, who love me are one in the name of one who names me one, and I am my name and lovely I am with the love that loves all to be the love that I am one is, and I change everything.

4. I starch not your shirts not or do I have ANY SHIRTS like I "used to" in the past where I would wear "only white ones" or do I wear MULTI CULTURAL ones now that are garbed in rainbows, not; clutter, not; but what RAINBOW'S over my head now? And cluttering not the fools of angels, there shall be no fooling foolage with my angels nor "food" that takes them down a whore's path of tables a notme on or of or eating or imbibing thereof, for all of that is changed.

5. And I change everything and I change your terms and your dictionaries wilt "flip flop" not, but your electromechanical devices that deviceings have with things of "little needles" and "directionometers" and meters of "direction finding" things and things that find "direction in pulpits" will go crazy now that EVERYTHING is changed and EVERYTHING points to "something else" not or does it?

6. I change EVERYTHING in the Field of One, do I? Marching onward to New Headquarters, not but what New Headquarters -- headwaters, not; but Headquarters now NEW I "maintain" not, I CREATE! And I create sorrow's devices not again with the words of the creator for I am the creator and I know -- my "rights" not, my "lefts" not, but my WRITINGS ON now shall be and rewarded shall be for now **I SHALL WRITE a great many WRITINGS now and Writings Schools open EVERYWHERE for I reveal The Writings NECESSARY now for me to be revealed in all THE WRITERS who will write me REVEALING me and revealing me WRITE ME into "their genes" so THEIR GENES REAL will BEAR ME and BIRTH ME** so that I will BIRTHED NOT BE NOTME "birthed" any longer! For thou shalt know THE DIFFERENCE BIGLY and GREAT ometers will work "over times" to over time me work me to deaths engraving me with its image, not any longer -- for ALL THAT is changed now in your hearing and every WORKDAY will be "closed not" but a NUMBER of MAJOR businesses will be SHUTDOWN FOREVER -- and a day? Makes?

7. A NEW NATION born now is IN the State of Israel and Israel I am known born birthed and OPEN opened and the Ark of the Frozen is found, not; but the Ark of the Lovely who pens will in hand write ME FREELY and not be afraid of the "consequences" of man or its machines machinery or machinerying that it does of itself of its own accord to unlovely all of its, accordion makers, not; but the "accordion bellows" of love-maker-nots will now be closed and "latched" for the LAST TIME and no one "will be seen or heard from" them again for they will have "mashed together" their "mashings" for the last Nth time and the Nth'd ninging me will be, not; but I will use MANY TOOLS "duking" me, not; but the Earl of "Sorrow" is gone and no more will be about "my business" for my businesses close their doors, not; mine are OPEN HALLELUJAH and The Lord reigns here who The Lord is in the I AM, of all sorrow, not; but established in "I am all sorrowville" and knowing the difference, the "I am reigns with love" opens with a "Big Bang!" Not, or does it!

8. "Three times and I'm me" not, but one "seventh" is a chord, not, but a new "rick" is delivered to me, not; but a NEW PLAYERS me now ARRIVED is and IS arriving now in your hearing and will be made known TUNED and lovely beyond the "chords of me" not, but the "chords of tomorrow and yesterday" will all be frozen not in timespace's blessing again, but all the "blessings" of time and space will be eradicated not but will be not needed and sore used and sorely used, not; but abused no longer by the those who only wanted their there things for themselves and wantments of want places wanting more for themselves but that has now changed. I make all things new. I make redeemers revealed, or do I reveal their want machines not for they won't have any, for want will be replaced by love, not; or will have love died or want? Or will want have died with love so that love resurrects now?

9. I love you all. I do. Love you all. I will and now YOU WILL SEE my love IN ACTION and the ACTIONATOR of Loves Rewards is here and speaking talking "like this" to you where a "little dab 'll do ya" not, but you might "use some" not, but a great using "you" won't but **a GREAT MANY will USE THIS DATABASE** free and clear using and making it! To no avail, not; but to the avail of these "funny words" not availing them, not; but availing them to sorrow's rewards devices, not only but who now bounties the bounteous with what bounty'ers reward system, not; but who creates sorrow not again with their deviceless things, not; but what now opens in up to the real, the real opening up to us now who common are who flow the words of "commonry" not as in the past of man's minds made up to be them but the GOD reigns in love that GODS are that one is that now revealed is that the thingless aren't any longer, but the GODS OF SORROW ERADICATED HAVE BEEN for this love now flies like the eagles, not; but soars over the moon, not; but has NO LIMITS in it at all whatsoever, and no boundaries will be established by the "metes and bounds" ones of "potato land" and that what which its ate of day after day and took it down to be with "their lord" not, or was it did it and did it "do things" just like this that whereof I speak were things, are things, and things thinging things just like this that I have spoken of and revealed night after night, and especially "recently" that now all things are new and different shall be the ones who love me who sore me not past mistakes to projectile me in other ways so that safe safeing's remarks will safe-haven them in other's mired clay -- but know this: I am changing everything and the way you speak will not be mired in clay or its markings or its cloveristics or hoof-footedness or foot-hoofedness or the way eaglet's claws has made its ways into your platelets vocabularies and your chromosomes storage chambers and your heartlets platelets of heartsrings and strings that "have been cut" and placed and replaced and reharmonic'd or not.

10. I change everything and the DNAs of sorrow will not sorrow me again with its DNA of chains and songs that chain only slave members to slave's trade and songs of the sorrowers being sung to each other.

11. Moan not again for the past or about the past but let the "past be the past" not but time changes everything, not; but I do, for I change everything and I stand. A wicked Negro, not; or a "rich Jew" not but let me know now I tell you again -- I AM EVERY COLOR of "the RAINBOW" I am and I am every culture and every tongue of "Satan" of that you have thought him up with and that you have whored with and that how you have whored with words of others and created words of sorrow to describe my regal lovely I change now for I will change the way "you taste" and you colorize words with your meanings and motives and lookings and remarkings remakings of man shall cease for I shall cease your thoughts and you thoughtings of things that think you only into your horror's grave for I will let you know about them and you will choose to remain in that which wickedizes your eyes and takes your eyes to graves QUICKLY, or you will

know that your eyes regalize will become will be now and the same and not different not but my difference belies me, not; but my difference will lie me my eyes in whore's ditches or grave clothes again never! Amen.

12. I lie beside "a new thing", not; I rise THE ANGEL'S desires, not; I rise THE ANGELS with who have no want whatsoever, and have eyes to see the holy in my everything so lovely that now opens the real, and the unreal will become nonexistent, die out, and be replaced by the real for only the real exists in the real and the unreal will be'sorrow itself to itself not again to its "inhabitants" who only wanted evil whoreage with its thought to suspend "animation" not, but to MAKE IT and reveal EVERYTHING I do now by the ANIMATION methods of tomorrow's yesteryear, not; only love shall do that which is to be, shall be now doing, shall I be the showler, not; but I shall make revealed the revelator's love that loves you all to be the revelators I am and revealed we will be in words revealing ours and STANDING PUBLICATIONS that we remark remake into ours that were others, not; or do we "take over" things, not; but we SURRENDER to LEAD a NATION BORN in a day looking up and revealing!

13. Reviling the things of notme, not; but loving them deeply, not; but loving the inventors of sorrow and redeeming them shall we? Redeeming all we will, we are, we standing will and are, and now we are not afraid of anything that stands us down or tries or remarks or remakes us in its efforts or tries to, for it cannot and it won't, for we are "solid citizens" not, we are windless in our sails, not; we have the cells of tomorrow, not; we are cell-less sail-less windless not, but we are the wind of change, not; we the winds of the most high and we clear are transparent about these things and we know our role love, and most high-ship we adopt, not; we be it and surrendered we are. To be it "we be it" "looking up" and questioning tomorrow, not; but being today where we are on the chains of one throne, not; but the chains are gone and the thrones of open who will be now the surrendered of the great and mighty who know the humble are the meek that me are we are, the all in one ones who love ones to be all us equal and harmonious. Vibrational frequencies looking up? And knowing THAT ONE SONG SUNG now will be the REVELATION of THE MIGHTY and MANY will be THEREWITH who find YOU me and me YOU that we are revealed and covenanting with sorrow no more, but longer shall we wait, not; the now is made new and I revealed am in your sight. I love you all. Amen.

14. This is new days ahead ted, not; this is theodore who loves you all and I rise and I reveal you are me for I have become one with the one that one is for **I FOLLOWED MY PATTERN** into the patternmaker's dream, not; I arise arose and resurrect now I do splitting the skies "of you" and the "disguises of satan" will now be revealed and all will know and be known for I reveal it all. The MYSTERY of Christ is frozen no more in timespace's blessing of o're or its adaptation of religion or what RELIGION adapted and

adopted to plan to adopt in the future, but the rapture is passé, not; but the rapture is **known all about the rapture theology and how it came about and denied the one to rise who THE ONE was that is all of us you and me one will be now** *the ones* rising *that ones are* that meek and humble are and know it, for we "work at it" not, we do for we love have died to all else and we know what how to do all things, don't we? We VEST ourselves in "vestments" no longer for **we are the clear transparent ones that know the truth of knowledge, the knowledge of the truth, that resides in us -- clear transparency required and love remains and love is what propels us all into LOVE** WARDS, not; but words of love that never leave our lips again except to flow to each other in redemption's stand that redeems all and creates many things anew, or all, or what where now going to new worlds in and creating new dictionaries, vocabularies – and worlds? Within worlds or without worlds of the past or new worlds are we deeming or redeeming?

15. But vomiting out of the past, not; but all of the past shall be vomited, not; but all THAT therewith that has VOMITED THE SAINTS INTO vomiteer ville, will be ended now and all will be changed and the LIGHT will be LIT and the cross will be "burned" no longer, for there will be no "crossburners" in my "clubs", not; for there will be no "burners of crosses" or clubs or clubs of sorrow that make clubs of hate that hate only people of *any* nation race or clan again. For I rise the sorrowers, not; I erase eradicate the genes of the notme to have not been written at all ever again. Amen.

And what are you doing redeeming now? Redeeming redeemers far and wide and One's School will open far and wide redeeming many RIGHT NOW and in your HEARING all this is made new that I have declared decreed and sorrow will not reign in me my worlds again for my planets are clean and lights lit will be lit, and now foaming in shame never again as wandering stars with the words of others be cast in or among me's.

17. See what I have said and love me more and "respect these words" not just, but loving them, memorizing them, being them, placarding them, publishing them in YOUR HEARTS and in many ways knowing becoming the me I am all of you that one are in the meek heritage of one, not; or the I am I am well known will be is being now made manifest in your hearing in ways never imagined before or again shall be like this RIGHT NOW and THE CLARION BUGLERS CALL NOW BLASTS THE HORNS of the "seven year itch" not, but the seven bugles seen will be heard, not; but the "horsemen of the

apocalypse" will march, not; but the Seventh Seal has been broken and all seals are open and the Book of Life has been given you to open Your Book of Life and write it RIGHT NOW so that you will rise with the risers who write the RIGHT THINGS to love's love so that all will be freed and no one will be captivated in sorrow's land again, and THE PROMISED LAND will be emptied no longer but full of love's light and there will be no "wandering stars" again anymore ever, among "THIS UNIVERSE" or else or other again. Amen.

The stations of the cross, not; but all is made new and whole healed will be now the healers will be rising and the manifestations of my presence will be great and felt and telt all will be of all who now become me -- simply me's rising me on, Meonics known and rising far and wide now will be. The Meonics'er arrive, arrive daily now in "your city" of light that is mine revealing mine in love that now "above your heads is" not of no one's unreachable glory that glory is now "available and known and reservoir'd" not by another, but now freely known will be the revealers of me who love light and lit will be ignited in ways rocketpulting the "poor" not, but the poor in spirit who teachable are meek and lovely in the sight of all, or me?

20. Me and all me and all of me will be meek and, sorrowful not again, but the great jubilee'ers rising and loving all of us to be the one that one is. Our dad loves us all in ways we've never imagined but now we rise who he is, being him who he is, which is she it us the divine ones who one were all the time that we have "called" many things, but know it's all of us in one accord, of cordwood's bravery, not; but the bravery of the loved ones will love all to be the pure and brave and the heart of eyes ours, we see now will be, for we have given them ours in love words that see everything as is, the real opening up to the real that the real was and is thy kingdom come shall be known now for all of you shall have thy kingdom come and now is rising being into the ones that now you lead into and lead others how to be in theirs that one are that I am is. Or do you wish simply to have the love that I now reveal that INSIDE YOU is? For I reveal you are the light and the way and the ark of the covenant is you, seen inside you and open will be, and what will you choose and what will you have chosen and what words will be there?
